## AFRICAN SWINE FEVER (ASF)

African Swine Fever ara ta'raken batrikrikgipa, janggi tangani cholko gimaatgipa aro an'chi on'pokpoke sagipa wakrangni sabisi ong'a jean saani bilongbea aro ta'raken siaia. Ia sabisiko DNA virus jekon Asfivirus minga ua jo'ong ong'ata.

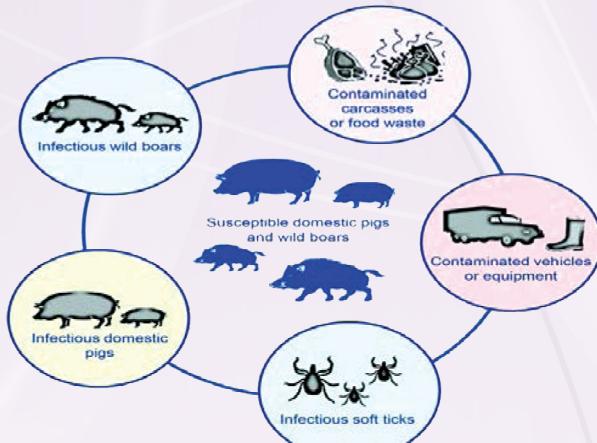

- Je bilsini wakrangba ia sabisiko man'a ama.

## African swine fever mandeona ba gipin ma'malni matburingrangona batja.

### Sabisini batangani :

- Ku'sik aro gingtingo nangdikachi.
- Moila ong'gipa cha'ani aro Asfivirus jo'ong ma'bakgipa bostuko nangdikachi.
- Asfivirus jo'ong ma'bakgipa gananirangko be'eno padapachi aro Ornithodoros jo'ong chikanichi batna man'a.

### Saani Chinrang:

- Be'en ding'a, cha'na sikja, bilgri ong'a, be'en ni nangrime kam kagija,
- ka'tong cha'sua aro rangsita ta'raka, chigala, an'chi dong'e ok re'a
- gingting oni bokbake aro mikron oni chi dake jo'olani.
- an'gnanggipa wakrang bi'sa dugala.
- be'en bigilrang ku'sik, nachil, ki'me aro ja'arango sia, bigilrang pari daka, greng biritchurang sa'dika aro ripoma.

Laboratory-o porika ka'anichisan ia African Swine Fever ong'a ine rimn'na man'a.

### Sabisiko champemgsoani cholrang:

Ia sabisiko champengsona gita ka'mao donsogimin dakna nanganirangko bimchipe jarikna nanga. Uarangan:

- Wak be'en ko cha'na skang name song'na nanga.
- Wakrang saa ma sajaenga uko somoi gita nirok sandina nanga.
- Wakrangni sana abachengna skang simsake rosoani.
- Ramram sabisi gita ong'e nikjaode bikan Veterinary Doctor chi re'ange kobor onna nanga.
- Farm napgipa aro ong'katgipa do'ga mikkangrango footbath ba ja'a sim'bolchakna biapko tarina nanga aro uko jo'ong siatna phenyl solution ba chun chi brae donna nanga.
- Waknolko salantian salo changgni 4% sodium hypochlorite, bleaching powder
