**BRIEF WRITE-UP ON REFRESHERS TRAINING ON ARTIFICIAL
INSEMINATION (AI) UNDER RASHTRIYA GOKUL MISSION (RGM):-**

Kick start of Refreshers Training on Artificial Insemination (AI) for existing AI workers of 5 (five) districts of Garo Hills including 28 (twenty eight) nos. of Officers and 103 (one hundred and three) nos. of paravets and Grade-IV staffs was on 25th October 2021 at Vocational Training Center (VTC), Rongkhon with a small inaugural function in presence of District A.H. & Veterinary Officers.

The objective of the training is to refresh their knowledge and skill them in AI technique, so that performance of AI in Garo Hills can be improved.

The training will be conducted in 5 (five) batches for 5 (five) days for each batch including both theory and practical.

The fund for training is received from Rashtriya Gokul Mission (RGM).

Assistant Director,
Intensive Cattle Development Project,
West Garo Hills, Tura.
