GOVERNMENT OF MEGHALAYA  
DIRECTORATE OF ANIMAL HUSBANDRY & VETERINARY  
MEGHALAYA :: SHILLONG

\*\*\*\*\*

No.MVD/SCH/DY-18/Pt/2021-22/172,

dated Shillong, the 17<sup>th</sup> May 2022

**ADVERTISEMENT**

The Director A.H. & Veterinary, Shillong, Meghalaya invites application from Interested Individual Entrepreneur/Self Help Group(SHG)/Co-operative Societies/Firms for availing a Special Central Assistance (SCA) scheme 2013-14 for setting up of feed manufacturing plant with 5 TPD capacity one each in West Garo Hills and South West Garo Hills. The interested persons can download details of the scheme from the website <http://megahvt.gov.in/>. The last date for submitting applications is on the 25<sup>th</sup> June 2022.

**1. Introduction**

1.1 The Department of AH and Veterinary has sanctioned a scheme for setting up two(2) Feed Manufacturing Units in Garo hills each with production capacity of 5 ton/hour. The scheme is sanctioned under Special Central Assistance (SCA) scheme 2013-14.

1.2 The scheme will provide 60% subsidy to selected beneficiary to set up and operate the feed manufacturing plant to produce cattle feed, pig feed and poultry feed and supply to livestock farmers within State. The beneficiary will be selected through fair and transparent process. This feed will be supplemented to livestock in addition to green fodder ad libitum (Freely available to animals) for high production.

1.3 Different formulae may be used to prepare compound feed such as calf fattening formula and dairy animal and poultry feed formula etc. to facilitate the customers region wise. The proposed business will be manufacturing compound animal feed for meeting the demand of dairy and livestock farmers.

1.4 Two feed manufacturing units proposed to be set up in Garo Hills, one each in West Garo hills and South West Garo hills District.

1.5 The feed manufacturing unit should produce cattle feed, pig feed and poultry feed for sale to farmers within the State at reasonable rates.

1.6 The project cost for establishing one Feed manufacturing unit is Rs. 4.00 Crore.

**Copy of the DPR for the scheme may be obtained from website <http://megahvt.gov.in/>.**

## 2. Guidelines for the Scheme:-

1	Scheme	Establishment of 2(two) Feed Manufacturing Units with 5 TPH (tonne per hour) capacity under Special Central Assistance (SCA) scheme 2013-14.		
2	Location	West Garo Hills District preferably in Dadenggre Sub-Division and South West Garo Hills. a) The beneficiary should have own land (approximately 2 acres) for the project or should have taken land on lease. b) The land should be flat land and should be well connected with roads and should have availability of water and electricity.		
3	Project cost	₹ 4,00,00,000 (Rupees Four crores) only for each unit		
4	Objectives	a) To develop entrepreneurs in feed manufacturing sector. b) To ensure availability of cattle feed, poultry feed and pig feed to support various Missions launched by Department. c) Creation of forward and backward linkages in Dairy and Piggery sectors to improve productivity.		
5	Salient features	a) Creation of Entrepreneurs through one-time capital subsidy to Entrepreneurs/Self Help Group(SHG)/Co-operative Societies/Firms b) Entrepreneurs will be provided assistance to set up feed manufacturing unit with 5 TPH (tonne per hour) capacity c) Cattle feed, pig feed and poultry feed will be produced to sell to livestock farmers within the State at reasonable rates. d) The State Government will provide 60% back ended subsidy towards capital cost of the project (capital cost is meant for asset creation such as machinery, equipments and feed mill plant related civil and electrical works. e) Entrepreneurs/Eligible entities shall arrange 30% of the project cost through bank loan and 10% beneficiary contribution shall be made.		
6	Pattern of Assistance	Component	Percentage	Amount
		Subsidy (backend subsidy)	60%	₹ 2,40,00,000
		Bank loan	30%	₹ 1,20,00,000
		Beneficiary Contribution upfront towards project cost	10%	₹ 40,00,000
		<b>Total</b>	<b>₹ 4,00,00,000 (Rupees Four crores only (for each unit))</b>	
a) One-time 60% capital subsidy of the total project cost will be provided for each unit. b) No subsidy will be provided for purchase of land, working capital, cost of rent and lease of land, land development works and purchase of personal vehicle. c) Subsidy will be capital subsidy and provided in three(3) equal installments. d) First installment will be released upfront to the scheduled bank to be credited to the entrepreneurs/eligible entities' account after bank releases first installment of loan to the				

		<p>Entrepreneurs/Eligible entity and 10% beneficiary contribution is made to bank account and after is confirmation by the Director A.H. &amp; Veterinary.</p> <p>e) The Entrepreneur's/Eligible entity shall submit proof of deposit of bank loan and beneficiary contribution (10%) in their bank account.</p> <p>f) Second installment will be released after released of second installment of bank loan to the Entrepreneurs/Eligible entity an after completion of infrastructure works and installation of plants and machineries and its verification by a Committee constituted for this purpose.</p> <p>g) Final installment will be release after completion of the project and certified so by the Committee constituted for this purpose.</p>

10	Follow up of the project	A Committee notified by the department shall follow up the progress of the project and submit progress report and completion repot.

### 3. Technical details of Feed manufacturing unit

- a) Capacity- 5 tonnes per hour and fully automatic
- b) Type of feed: cattle feed, pig feed and poultry feed
- c) Along with Pellet making machine and packing machine as per latest technical specification
- d) Power required - 235HP (176KW)
- e) Water supply: APPROX 50000 LITER PER DAY

f) Beneficiary shall procure original machine and not second hand machine.

#### 4. Raw Materials

The main raw materials are Ground nut cake, mustard oil cake Maize, Corn gluten, Rice Polish, Wheat straw, Wheat bran, Rice bran, Salt, DCP, Mineral mixture, Molasses, Salt and Vegetable Oil all the ingredients of grain are locally available at low prices but some vitamins other ingredients will need to be imported.

#### 5. Project cost break up:-

Sl No.	Part I Civil works	Unit	Estimated amount
1	Construction of Feed Mill plant	1	60,09,000
2	Construction of office room	1	9,05,718
3	Construction of Feed Godown	1	16,13,930
4	Construction of labour barrack/security barrack	1	10,71,343
5	Construction of Generator shed	1	3,85,000
6	Construction of pump shed	1	2,01,620
	Water supply including GI pipe connection bore well etc. (based on PHE SOR 2014-15)		10,00,000
	<b>Total</b>		<b>1,11,86,614</b>

Sl No.	Part II- Generator & electricity works		
1	Generator -82.5 KV water cooler GG set	1	15,80,000
2	Electricity connection and transformer		20,00,000
	<b>Total</b>		<b>35,80,000</b>

Sl. no	Part III- Plant and machineries		
1	Fully automatic feed manufacturing plant with pellet machine and packing machine (capacity 5000 kg/hour)		95,41,280 (inclusive of taxes and installation )
	<b>Total</b>		<b>95,41,280</b>

Sl no.	Part IV -Vehicles		
1	Truck	1	18,00,000
	<b>Total</b>		<b>18,00,000</b>

Sl. no	Part V –Working capital including overhead cost		
1	First Three Months Salaries/wages		3,10,500
2	Electricity cost for one year @ 25,000 per month		3,00,000
3	Travel cost and utilities		15,00,000
	Miscellaneous unforeseen expenditure		10,00,000
4	Cost of Raw material		1,07,81,606
	<b>Total</b>		<b>1,38,92,106</b>

**Grand total (Part I+ Part II+ Part III+ part IV +Part V) = ₹ 4,00,00,000 (Rupees Four crore only)**

## 6. CHECK LIST OF DOCUMENTS TO BE SUBMITTED WITH APPLICATION

Interested Entrepreneurs or eligible entities may submit application in prescribed format annexed as Annexure -I along with the following documents.

6.1 Address proof

6.2 Brief history/background of the Entrepreneur/Self Help Group(SHG)/Co-operative Societies/ Firms
